

10 YEARS OF  
CELEBRATING

LOCAL  
HEROES

## TRUE Community Event

Sponsor Built. Volunteer Run.

Thanks to the support of community sponsors, ticket buyers, and hundreds of volunteers, our local heroes, the first responders of the LaPorte Indiana region have received around \$175,000 since 2015. Those funds have been used to keep our communities safer - providing for needs outside of regular funding.

This event will ALWAYS stay with its tradition of focus... recognizing local heroes - first responders! Sponsorship shows the community that these heroes matter to you and gives you the ability to share the event with employees or customers via special table tickets for each night of the event.

This three day event held at a 300 acre farm field between LaPorte and Michigan City draws thousands in attendance each night! Your support is crucial to helping bring to life this benefit event.

Bethany Church organizes the event with a love for this community and first responders and the proceeds after expenses are given back to local hero departments and causes. Local businesses and sponsors help to bring some of Nashville's best Country Artists to the region for one of the largest events of the summer and the largest regional event dedicated to celebrating first responders!

From the tasting, first responder demos, concert, and annual surprises, there is **A LOT** to making this event happen and **YOU** can help be an integral part of that.

THANK YOU for considering supporting local heroes through sponsorship! Since 2015, over \$175,000 has been given back to area first responder groups. Funds raised (from the previous year) are given away live on stage at the event.
